Volunteer for an In-Patient Norovirus Study

You must be healthy & between the ages of 18 to 49 years old.

You may be eligible if you:
- Are willing to drink water which contains the live SMV Norovirus
- Donate blood, saliva, emesis & stool samples.
- Do not work as a direct caregiver; food service worker or have infants/toddlers

The Study:
- Involves 5/6 hospital days; 4 follow-up outpatient visits & 1 follow-up phone call.
- Compensation $50 screening visit; $200 for each hospital day; and $75.00 for follow-up visits.
