Healthy Volunteers Needed for Inpatient Research Study

You may be eligible if you:
- Are a healthy adult between 18 - 65 years of age.
- Are unable to have children (e.g., vasectomy, tubal ligation, hysterectomy or post menopausal) or have no sexual behavior that could result in conception (e.g., gay men or lesbian women; or only sexually active with someone unable to have children).
- Not a smoker and willing to not use alcohol, caffeine, and grapefruit products for 2 weeks.
- Are not taking medications that cannot be stopped for 25 days.

The Study Involves:
- 1 screening visit.
- Taking an oral research medication once daily while in the hospital for 8 nights.
- 5 Follow-Up clinic visits.
- Compensation for time & travel; $50 for screening visit; $200 for each hospital day & $75 for follow-up visits.
